(existing registrants) If you have access to the email address used on your previous registration, it is strongly encouraged to use that exact email address, this will help you obtain your previous playing history.

Any existing participants will have to 'claim' their account details, when a participant creates a **Football Account** the details used to create the account will be checked to see if there is a match.

If there is a match the participant will need to 'claim' those details as their own and proceed with their registration.
